Drive-in Dinner

Step back in time to the swinging 60s and experience a classic American-style drive-in dinner like never before!

Introducing Suzana Ribs and Wings, a drive-in dining experience that combines nostalgic charm with cutting-edge technology infrastructure and smart real estate. Our innovative approach blends the rich flavors of Suzana's mouthwatering ribs and wings with state-of-the-art development, construction, and architectural design which can be part of this development.

But that's not all – we've also implemented FinTech solutions to enhance your dining experience. Get ready for a journey back to the golden era of American diners, brought to life with a modern twist.

As you arrive at Suzana Ribs and Wings, you'll be greeted by a stunning architectural masterpiece inspired by retro Americana. The drive-in area is thoughtfully designed with a mix of vibrant neon lights, vintage signage, and polished chrome accents, exuding the nostalgic ambiance of the 1960s. Park your car in one of our designated spots and prepare to be transported back in time.

Suzana Drive-in Dinner

Once settled in, simply tap into our cutting-edge smart real estate infrastructure.

we've incorporated FinTech into the heart of our drive-in experience. Our contactless payment system ensures a seamless transaction process, allowing you to settle your bill with ease, right from the comfort of your vehicle. Whether you prefer cashless transactions or want to use a digital wallet, we've got you covered.

As you wait for your order, soak in the vibrant atmosphere of Suzana Ribs and Wings. Our carefully curated 60s-inspired soundtrack will transport you back to an era of rock 'n' roll and Motown classics, setting the perfect backdrop for your dining adventure.

When your order arrives, you'll be greeted by our friendly carhops, dressed in retro uniforms that harken back to the golden age of drive-ins. They'll deliver your tray of sizzling ribs and succulent wings directly to your car, ensuring every bite is served fresh and hot.

Indulge in the mouthwatering flavors that Suzana Ribs and Wings are renowned for. Each rib is carefully seasoned and slow-cooked to perfection, while our wings boast a tantalizing array of sauces that will satisfy any palate. Don't forget to pair your meal with classic sides like crispy fries, coleslaw, or a refreshing milkshake, all made from scratch with the highest quality ingredients.

As you savor every bite, take a moment to appreciate the fusion of timeless traditions and innovative technology that make Suzana Ribs and Wings a truly unique experience. The marriage of our 1960s-style drive-in setting with smart real estate infrastructure and the integration of FinTech ensures that your visit is as efficient and enjoyable as possible.

So, gather your friends and family, hop in your car, and join us at Suzana Ribs and Wings for an unforgettable journey back to the 1960s. Experience the magic of this classic American drive-in, brought into the modern age with our state-of-the-art technology infrastructure and FinTech solutions. It's a dining experience like no other – where nostalgia meets innovation, and delicious flavors take center stage.

Property details

Plot size

Nestled on a sprawling plot of 10,000 square meters, Suzana Ribs and Wings will be more than just a drive-in diner on 2000sqm/m2. This innovative project will be part of a larger development, housing multiple business ventures that complement each other perfectly. Located in the vibrant vicinity of the well-known Vivo shopping mall, our drive-in diner promises to be a hotspot for both locals and visitors alike.

The strategic location of the plot ensures easy accessibility and high visibility, making it an ideal destination for those seeking a delightful dining experience. Whether you're running errands at the mall or simply exploring the area, Suzana Ribs and Wings will be a convenient stop for a delicious meal on the go.

5 million Euro price to buy the Land 10.000m2
2 million Euro to built the Diner

Petrol Gas Station

But that's not all – adjacent to the drive-in diner, we have plans to build a state-of-the-art petrol station that will revolutionize the way we fuel our vehicles. Embracing alternative technologies such as blockchain and FinTech, this petrol station will be at the forefront of innovation. Along with traditional fuel options, we'll offer the latest in eco-friendly alternatives, including hydrogen and electric car charging stations. Our commitment to sustainable practices and innovative solutions aligns perfectly with the changing needs of the modern world. 2million Euro capital needed for it.

Drive-in Dinner

Petrol Gas Station

What is needed for seed finance!

To bring these groundbreaking projects to life, we seek seed financing of approximately 9 million Euro for the petrol station and drive in .

This investment will not only support the construction and development of the drive-in diner and petrol station but also enable us to implement cutting-edge technologies that will set us apart from traditional establishments. With your financial support, we can create a truly unique dining and fueling experience that combines nostalgia, convenience, and sustainability.

This exciting journey as we revolutionize the drive-in dining and petrol station industries. Together, we can create a hub of innovation and provide a memorable experience for customers who value both quality and forward-thinking solutions. Invest in Suzana Ribs and Wings and be part of a pioneering project that will shape the future of dining and sustainable transportation.

Thank you for your time and consideration.
